APPLICATION FOR MEMBERSHIP

The Pacific Coast Numismatic Society invites all interested persons to join PCNS, the first society established to serve coin collectors in the Western United States. PCNS was founded by Farran Zerbe, who came to San Francisco to supervise the U.S. Mint Exhibit at the Pan-Pacific International Exposition in 1915. PCNS was originally organized as a meeting ground for San Francisco Bay Area collectors and students, but was envisioned as a clearinghouse for numismatists throughout the West. PCNS has continued to serve as a local meeting place for the more studious numismatists of the San Francisco Bay Area, but its wider goals are not forgotten.

PCNS issues occasional publications which are provided to all members as part of the benefits of membership. Awards for numismatic research are presented, and these works appear in the publications. Many of the most illustrious names in numismatics have been members of the Society.

PCNS has built a significant numismatic library which is available for research by the public. Once housed in The Old Mint, it is being relocated at the Sutro Library to assure its continued availability in San Francisco. The Society welcomes and encourages membership by numismatists of all interests. Meetings are held in San Francisco on the fourth Wednesday of each month. A monthly bulletin is mailed to members with full details of each meeting event. Members and guests are always welcome. Meetings feature a numismatic presentation by a PCNS member, and all members are encouraged to take part in discussion and the display of material related to the meeting topic

Membership requirements as stated in the PCNS Constitution: any person of good character who is interested in the objects and activities of the Society and who agrees to abide by its rules shall be eligible for membership.

Dues are \$20 per calendar year and should be submitted with the application. Dues include all annual publications, monthly bulletins as issued, meeting announcements and other rights of membership.

Applications with payment should be sent to: PCNS, P.O. Box 475656, San Francisco, CA 94147-5656 U.S.A.
